 My heart is always beating so warm and fuzzy  
 whenever you're around. The way you make me

 I love everything about you. Your big gorgeous

 just simply amazing and it's so hard to stare into  
 them when we meet in real life. I really love your  
 smile, especially your cheeky one and your  
 embarrassed one. You're body is so beautiful,  
 your curves, your thighs, legs, your neck,  
 everything is so beautiful. You are probably the  
 most beautiful soul on this earth. I know it's  
 cheesy but its true. You are such an amazing  
 person and I can't wait until the day we meet in  
 real life. I can't wait to hold your hands, I will  
 forever love you and always listen to you and be  
 understanding towards you no matter what it is  
 because I want you to always feel that you can talk  
 to me about anything and everything and I will  
 always be here to help and understand and listen.  
 You can be so kind, gentle, sweet, funny, quirky,  
 and everything and everything and you love me so
