How to Fold a Zine

If you already familiar with this kind of Zine and know how it goes then this is not for you. *Print, fold and enjoy!*

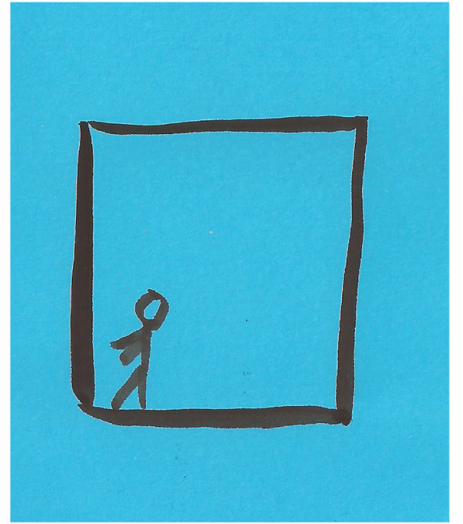

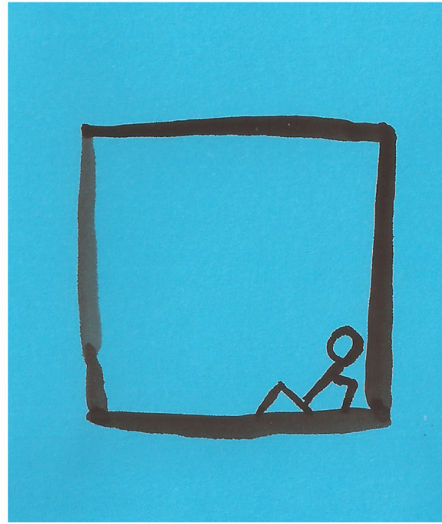

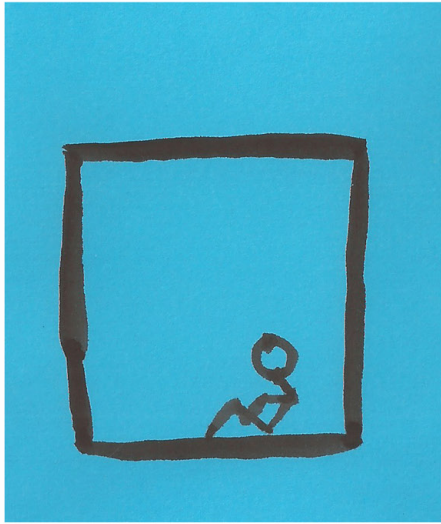

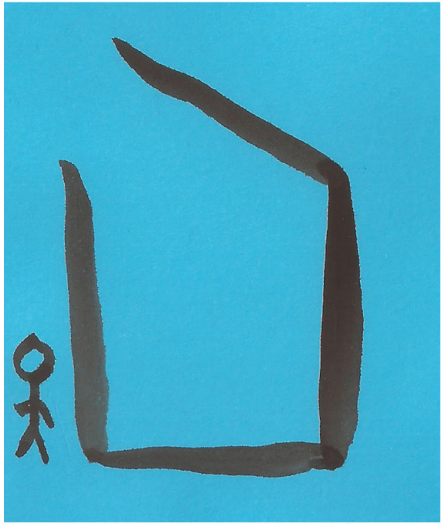

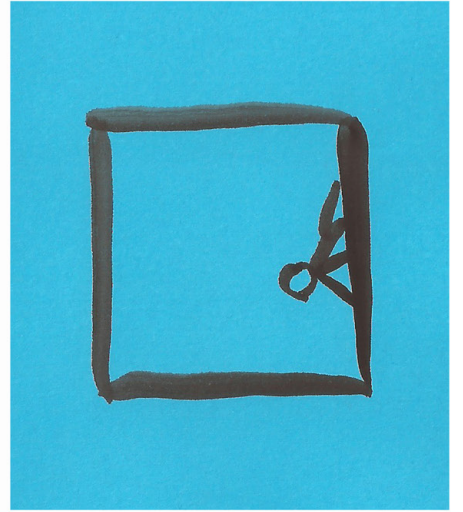

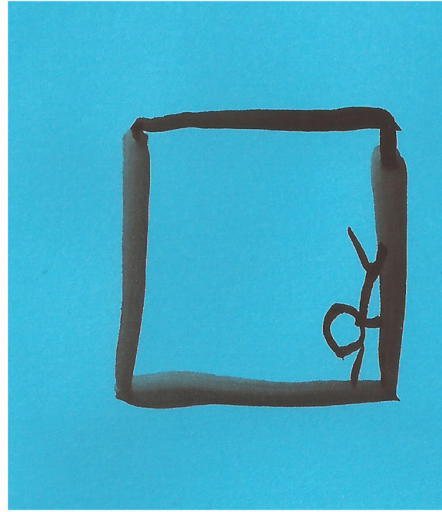

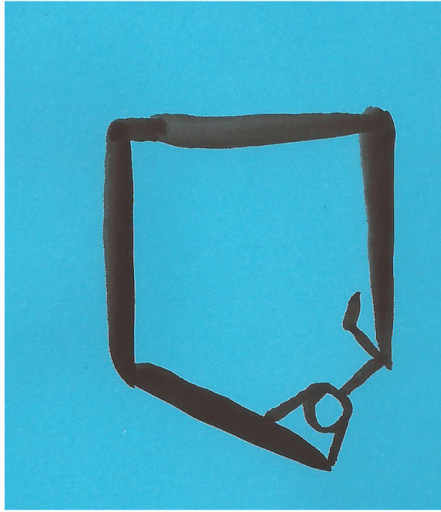

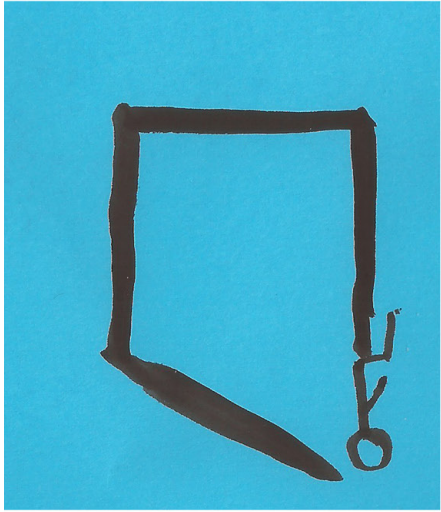

If this is all new to you, I can only apologise. And let you know that the wider world has better instruction. *You have been warned!*

Print out onto A4 and follow the diagram.

How to Fold a Zine

If you already familiar with this kind of Zine and know how it goes then this is not for you. *Print, fold and enjoy!*

If this is all new to you, I can only apologise. And let you know that the wider world has better instruction. *You have been warned!*

Print out onto A4 (or A3, whatever your preferences). It can be in colour if you want; Black and White printing is fine. And if so then feel free to colour in the panels (I would go for the water colours myself).

When you have your printed page; follow the diagram.
